ATTENTION: Mr Devansh Mishra

IIT Kharagpur

INDIA

Dear Devansh,

Reference: Offshore Campus Internship Agreement (“the Agreement” or “this Agreement”)

With reference to your application for the position of an **Offshore Campus Intern** in our Machine Learning Division and our subsequent discussion regarding the same, I am pleased to offer you an internship with **Risk Latte Americas Inc.** and **Risk Latte Artificial Intelligence Inc.** (jointly and severally called “the Company”) under the Study and Work (Offshore) Campus Intern initiative with the following terms and conditions.

1. You will work **remotely** as a student Intern in the **Machine Learning Division** and will be involved with research, analysis, development and implementation of learning algorithms and models within the machine learning area and will be required to apply these to real life problems in the domains of finance, systems biology, physical sciences, etc. You may, however, be called upon, from time to time, to work on other areas such as computational mathematics, financial engineering, computer science, etc.
2. Your contract shall be for a period of **6 (Six) months** (“the Term”) starting 1st April 2020 (“the Start Date”) and the last day of your contract will be 30th September 2020. Depending upon your performance and mutual written agreement, the Term can be extended for a period of another 6 to 12 months.
3. During the Term you shall work for, on an average, at least **4 to 5 hours** every day of the working week (except for days when you have exams or other school work) under tight deadlines and shall be required to closely follow performance benchmarks set up by the Company. You shall be reporting to and very closely working with Mr Dhanesh Prajapati, Chief AI Engineer of the Company.
4. During the Term, you shall be paid a fixed student stipend of **INR5,000 (Indian Rupees Five Thousand only) per month** (“the Stipend”). The Stipend shall be paid in arrears

every month and directly to your bank account in India or paid via Western Union payments or PayPal. There may be a lag of 3 to 4 weeks after the expiry of a month for the Stipend to be paid into your bank account/PayPal account or paid via Western Union. Besides the Stipend, you **shall not** be paid any other kind of compensations, remuneration, benefits, financial or otherwise, by the Company. You shall be solely responsible for paying all federal and local taxes, as may be applicable, on the Stipend. Kindly note that the first payment of the Stipend shall be at the end of two months from the Start Date, whereby the first two months Stipend shall be paid. Thereafter, the Stipend shall be paid monthly.

5. If for any reason whatsoever, you quit this internship or terminate this Agreement before the expiry of 2 (two) months from the Start Date, then there shall be no payment of any Stipend and/or any kind of compensation whatsoever and you shall forfeit the Stipend.
6. After the expiry of 3 (three) months from the start date, **your performance shall be reviewed and if found satisfactory the Stipend may be increased**; also, strictly subject to you performance during the Term may qualify for a bonus. This bonus will be strictly performance based and will be at the discretion of the Company.
6. During the term you **shall NOT** be an employee of the Company and shall NOT be eligible for any kind of salary related compensation or benefits.
7. You shall be strictly subject to the Intellectual Property and Confidentiality clauses of the Internship Agreement and any breach of these clauses shall result in the Company taking remedial, including but not limited to legal, action to protect its interests.
8. The Agreement can be terminated by the Company by giving you a notice of 1 (one) month or by paying one month's Stipend in lieu of the notice. You may terminate the Agreement any time by giving a written notice to the Company of not less than 2 (two) months' after the completion of 2 (two) months from the Start Date. However, the Company reserves the right to summarily dismiss you from the position of Intern and terminate the Agreement without any notice and/or any payment of the Stipend on disciplinary grounds and/or other grounds pertaining to breach of the Agreement, immoral behaviour, poor work ethics, insufficient skills or gross inability to cope with the work assigned by the Company.
9. A more detailed and formal Internship Agreement shall be sent to you in the next 15 to 30 days which you would need to sign and execute in order to formalize this offer of internship.

If you are agreeable to the above terms and conditions, then kindly send a confirmation mail (a return mail) so that we can start you off as a Campus Intern. If we do not hear back from you in the next 12 hours this offer of internship shall be withdrawn and the Agreement will be deemed null and void.

For the agreement to be valid you also need to send us your complete and full (recent) residential address in India with the contact information (phone number, address) of one of your parents, local guardians or you may send in the contact information of you one of your professors or department head.

I look forward to working with you for the next six months and in anticipation, I welcome you to the Company.

Best regards,

Rahul
